Q1 Are you a: **other regulated professional**

Q2 Please enter the following details (optional): **Respondent skipped this question**

Q3 Do you support the proposed guideline? **No**

Q4 Do the guiding questions (see page 2 of the draft guideline) help you to see how you would determine if sexual contact with a former client beyond 5-years post termination of care would constitute sexual abuse? **Somewhat**

Q5 Please provide your comments here (optional)

Every case is individual. Sexual abuse is harsh. What if in a rare instance a client and therapist do find love together? I get that clients are vulnerable and that people can exploit the vulnerable. But what if the parties involved have pure and good intentions. A lot can happen in five years.
