6. If the act of professional misconduct was the sexual abuse of a patient, require the member to reimburse the College for funding provided for that patient under the program required under section 85.7.
7. If the panel makes an order under paragraph 6, require the member to post security acceptable to the College to guarantee the payment of any amounts the member may be required to reimburse under the order under paragraph 6.

The discipline panel may, in an appropriate case, make an order requiring you to pay all or part of the College's costs and expenses pursuant to section 53.1 of the *Health Professions Procedural Code*.
