

Hello,

We have begun engaging psychotherapists in Grey and Bruce as they are now eligible for the COVID-19 vaccine.

The Grey Bruce Health Unit is working on setting up COVID-19 Vaccination appointments for health care workers who are eligible as part of phase 1 of the roll out. Psychotherapists are on the phase 1 list. If your clinic has NOT already heard from the Grey Bruce Health Unit, and you wish to receive the vaccine, please have one person from your clinic contact us at covid19.vaccine@publichealthgreybruce.on.ca along with the clinic name so that we have an email contact for the clinic.

Thank you.

Sincerely,
Bailey Ressler
Program Assistant
Grey Bruce Health Unit
